

## Vacuum Conversion Form

- Conversion cost includes a new pad, conversion parts, labor and return shipping within the Continental US. Repair parts, if needed, are extra.
  - Once converted, tools will come equipped to connect to 1 1/2" OD vacuum hose.
  - Tools converted in factory receive a 90-Day warranty from date of conversion.
  - Additional vacuum connectors and custom-length hoses are available.
  - Please insure your shipment and note the model, serial number, and tracking number which are necessary when inquiring on your tool.
- For inquiries contact **(626) 792-8211 Ext.18** or **repairs@hutchinsmfg.com**.

**Please read and complete steps 1-5, to assist us in the speedy conversion of your sander.**  
**Ship sander with a completed conversion form to the address listed at the end of the form.**
